## PRESIDENT'S MESSAGE

John G. Thornell

student scholarships. The cost of pursuing higher education continues to rise, and our students must face the challenge that presents. Many do so by working, watching costs closely, and taking out loans. Scholarships are a huge factor in allowing students to achieve the work/school/financial balance while also persisting to graduation. Anecdotal evidence continues to tell us that students are dependent on scholarships more than ever. So, on behalf of the students at UNA, thank you. Your scholarship gifts are changing lives.

One of the serious challenges faced by the University is how to elevate the quality of our physical plant, allowing us to remain competitive with peers while also controlling costs. We must continually add to and upgrade our buildings, but we do so with limited state support. That is one reason your gifts are so important. We are currently in the finishing stages of the new science and technology building that will provide state of the art facilities for science instruction and research. Donors such as you have been invaluable allies in helping us make this building a reality. We have also begun construction on new residence halls and have initial plans underway for a new College of Nursing facility. Moreover, our fine arts

I have the pleasure of passing by the lion habitat each morning as I walk to my office. What could be more uplifting than the sight of our two mascots, Leo and Una, watching over our beautiful campus? Seeing those two majestic animals reminds me of how fortunate I am to serve as president of UNA. This past year has seen one success after another, ranging from construction of new facilities to accomplishments by our students in and out of the classroom. Many of those successes are made possible by you, our donors, who provide the financial support to meet the multiple needs that confront our students, our campus, and our academic programs.

Perhaps there is no single need at UNA greater than that of

buildings, both for music and art, are in need of significant renovation; steps are underway toward that end. We deeply appreciate your support of these and other facility upgrades that are crucial to the educational future of UNA.

Athletics is an integral part of the mission of UNA. We are proud of the successes of our student athletes, our coaches, and the sports they represent. We are committed to continuing to be one of the top Division II programs in the country and are positioning ourselves for the move to Division 1 when the opportunity presents itself. For those of you have been partners in these efforts, thank you. We will do all that we can to affirm your confidence in us.

On the international front, we continue to set records for the number of UNA students participating in study abroad programs. Additionally, we have now signed 48 memoranda of agreements with select international colleges and universities that seek to send their students to study at UNA. We continue to internationalize the campus and our programs to better prepare our students for the global society in which they will live and work. For your gifts on behalf of these endeavors we are exceedingly grateful. You have our assurance that we will continue to make internationalization a high campus priority.

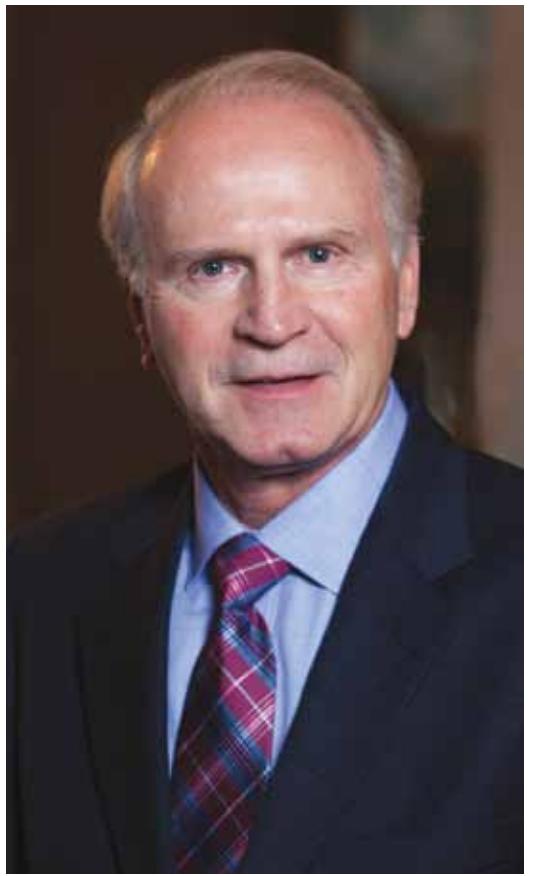

Last, but certainly not least, we take great pride in our academic programs. The UNA faculty is second to none in terms of their commitment to our students. Did you know that 15 of our retired faculty have chosen to be Isbell Scholars? These dedicated faculty continue to work at little or no pay for one or more years beyond retirement and designate their salary to endow student scholarships and other academic enrichment efforts. Moreover, many others plan to serve similarly once they reach retirement. These faculty gifts, coupled with yours, allow us to nurture our academic programs and support services in multiple ways that can't be achieved through limited state funding. Again, our students and our faculty thank you.

In these challenging economic times, partnerships are essential to the vitality of institutions such as UNA. Your financial gifts remind us daily of how fortunate we are to have each of you as partners. As president I am forever grateful for your gifts and generous support on behalf of our students and faculty.

Roar Lions!

*John G. Thornell*

Dr. Dan Hendricks

At the time of this writing, we are approaching the holidays. Outside the door of my office, on the second floor balcony of Rogers Hall, the University crew has illuminated the Christmas tree. It sparkles at night all the way down Court Street. Downstairs in the parlor, the Advancement staff has trimmed a great live evergreen tree and draped pine boughs on the mantel of Rogers Hall. For more than 155 years this Season of Joy has come and gone at Rogers Hall. We all love the holidays at UNA.

It is also a time to give thanks for the University community. I am very grateful for you. Because of your exceptional generosity, the year has seen a great harvest of philanthropic support on behalf of UNA. Gifts and pledges this year to the UNA Foundation total \$5,658,920. This is an all-time record for University support and represents nearly a 60% increase over last year! We crossed another record milestone. The number of individual gifts (6,000) was also a record.

These very encouraging numbers reflect the steady momentum towards our strategic initiatives for UNA. In the coming months I expect more good news as gifts and pledges are identified and plans are made for the launch of our public campaign kickoff. I will keep you updated on these developments.

Total assets held by the UNA Foundation total \$28,453,912. This represents a nearly 12% increase over last year. From endowed accounts, distributions in support of educational programs will total about \$1.2 million in the academic year 2014-15. In meantime, some of the highlights of the year include:

- UNA Derby Day raised \$74,000 in unrestricted income;
- A gift of \$1.4 million from the estate of Mary Deeters;
- Five new endowed scholarships including the fourth Edward Fennel Mauldin Scholarship;
- Two new Isbell scholars --- Dr. Larry Adams and Ms. Cathy Malone;
- Over \$1 million given to name areas of the new Science and Technology Building;
- \$173,000 given to the UNA unrestricted 1830 Fund;
- The President's Cabinet grew to 84 generous members.

Recently, at the November 20<sup>th</sup> meeting of the UNA Foundation Board of Directors we welcomed six new Board members including Bill Lyons, David Marbury, David Muhlendorf, Judge Deborah Bell Paseur, Uhland Redd and Woody Truitt. These new directors bring extensive experience, career accomplishments, and support to the Foundation Board.

I hope you enjoy the latest edition of the President's Report. Thanks again for your exceptional generosity. I need not tell you how important your financial support is to UNA. Please call me if you have questions and do stop by and say hello. We can take a walk under the stately oaks.

Dan

# UNA GIFT BAY, THE GIFT THAT KEEPS ON GIVING

The holidays are fast approaching and with them comes the added stresses of dealing with in-laws, preparing holiday meals and of course picking out that perfect gift for the loved ones in your life. So what do you get the person who has everything? There is one option that's much more thoughtful than a gift card and more useful than a tchotchke, flowers or food; it's philanthropy.

Last year the Office of Advancement at the University of North Alabama launched UNA Gift Bay as a new, interactive feature available around the clock. [www.una.edu/giftbay](http://www.una.edu/giftbay) is an online service that allows donors to designate gifts for any one of UNA's four colleges – Arts and Sciences, Business, Education and Human Sciences and Nursing – as well as Athletics, Library Services, International Affairs and other special programs or the University's 1830 general fund.

UNA Gift Bay allows a potential donor to concentrate his or her giving in a specialized area that focuses on individual College or Program needs. Choices at UNA Gift Bay range from providing equipment (such as microscopes for a biology lab or computer software for a business course) to support

for a student to participate in a Study Abroad experience or resources to purchase new print or online periodical subscriptions for Collier Library. Wherever your passion lies, UNA Gift Bay gives you an exciting new hands-on donation experience that allows you to designate an amount you wish to give toward a cause you wish to support.

Giving someone the chance to participate in a charitable donation is a gift you can both feel good about and it's a gift that will never go to waste. With the new UNA Gift Bay just a click away, it's now easier than ever to make a donation on someone else's behalf and give them the gift that truly gives back.

This Holiday Season, we ask that you consider making a gift of \$500, \$250 or \$100 to UNA Gift Bay, or give as generously as possible. Visit [www.unagiftbay.com](http://www.unagiftbay.com) to make a donation on behalf of someone else. Don't let the season of joy and giving pass without remembering the mission of the University of North Alabama. Your gift will change lives!

## ISBELL SCHOLARS

**DR. RAYMOND ISBELL**, a native of Colbert County and a 1953 graduate of UNA, joined the faculty as an associate professor of chemistry in 1965. In 1973, he was named head of the department of chemistry and served in that capacity until he retired in 1997. He then donated a year of service to his department to establish a scholarship at the University. Many employees inspired by Dr. Isbell's generous act have since volunteered to remain in their job after retirement to establish additional educational endowments.

# THE CHARITABLE GIFT ANNUITY

## *Strengthen Your Future and Ours*

### HOW A GIFT ANNUITY WORKS

A gift annuity is a simple contractual agreement between you and a charity in which you give money or assets in exchange for the organization's promise to provide you, the annuitant, with fixed payments each year for your lifetime.

### WHAT YOU CAN ACCOMPLISH

By establishing a charitable gift annuity, you can accomplish two things:

1. You receive fixed payments for yourself or yourself and another individual
2. After your lifetime, the remaining amount supports your chosen charity.

### SAVINGS YOU CAN EXPECT TO ACHIEVE

Your donation is divided into two parts: (1) the amount of the donation attributable to the gift portion and (2) the amount of the donation attributable to your annuity payments.

A portion of each payment you receive is considered a nontaxable return of your contribution, from the start of your payments until you reach your estimated life expectancy. This tax-free amount further increases your after-tax dollars available for whatever you choose, such as spending or investing.

You are entitled to a charitable income-tax deduction for the gift portion of your contribution – usually between 30 and 50 percent of the value of the gift, assuming you itemize your deductions.

In addition to the payments and the deduction you receive, a gift annuity funded with appreciated property has these advantages:

1. The capital gain allocated to the gift portion completely avoids the capital-gains tax.
2. In most cases, the portion of the taxable capital gain can be spread over your life expectancy.

### WHY CHOOSE A CHARITABLE GIFT ANNUITY?

**RECEIVE** fixed payments for your lifetime, or supply loved ones with payments for life.

**ENJOY** a charitable income-tax deduction.

**OBTAIN** tax-favored payments you can never outlive.

**SUPPORT** a cause you care about.

**AVOID** a portion of the capital-gains tax when you fund your gift annuity with appreciated property.
