RESOURCE OF THE MONTH

- The Mitchell/West Center for Social Inclusion will open on the University of North Alabama campus this fall, and it ushers in the opportunity for all UNA students to feel supported and cared for, according to Dr. Andrea Hunt, the Director of Student Research who has been tapped to serve as the Executive Director of the Center.

SGA MEMBER OF THE MONTH

I joined SGA because I knew I could become a voice for great change for the student body. During my time at the University of North Alabama, I have heard from and learned from multiple students on how they wanted to experience, but they did not have the means to make that change. I joined SGA because I wanted to become the means for that change.
