## STAFF ACCOMPLISHMENTS

Family Weekend Workers

The 3rd Annual UNA Family Weekend was a huge success, welcoming 1,102 attendees—an impressive 10% increase over 2024! This year, we launched upgraded platforms that made registration, payment, and check-in faster and easier than ever. With the support of 20 incredible campus partners and overwhelmingly positive feedback from our families, this weekend truly showcased the best of the UNA community. Family Weekend continues to strengthen the connection between our students, their supporters, and the UNA experience. We are grateful to everyone in the division who helped bring this event to life. Roar Lions!

Welcome to the new First Year and Retention Initiatives Office! This team is dedicated to all things retention, including Summer Orientation and Miss UNA. After recently attending NODAC in San Francisco, the team has returned with fresh ideas and innovative strategies to keep UNA on the cutting edge of retention and orientation programming. Their work will play a critical role in supporting student success from the first day on campus through graduation. We're grateful for the energy, creativity, and commitment this team brings to the UNA community. We're excited for what's ahead!

Jimmy Waddell w/  
Calviee Tandy

We recently celebrated the retirement of Jimmy Waddell, a dedicated member of the UNA community whose service has left a lasting impact on Housing & Residence Life and the university as a whole. Colleagues gathered in the Olive Hall Lobby on Wednesday, 8/27/25, for a heartfelt come-and-go celebration to honor Jimmy's years of commitment, leadership, and genuine care for others. Throughout his time at UNA, he has been known for his strong work ethic and his steadfast dedication to supporting students and colleagues alike. Housing & Residence Life extends its sincere appreciation for Jimmy's service and wishes him continued success and happiness in his well-deserved retirement.

Check out the Student Activities & Leadership Development Wall! Located just outside of Student Engagement, this dynamic space celebrates our RSOs and Student Leaders of the Month, highlights our yearly traditions, and features our rotating advertisements on the TV to keep you informed on what's happening across campus. It's a great way to recognize involvement, leadership, and the impact our students make every day. This space also serves as a central hub for sharing important updates and upcoming opportunities for students to get involved. Haven't seen it in person yet? Be sure to stop by and take a look.
