When do I take the ALEKS PPL Assessment? Any students without appropriate ACT/SAT scores, or prior college credit needing to take a mathematics course during the 2023 academic year should take ALEKS.

Where can I take my Placement Assessment? Most dual enrollment students will take the ALEKS placement on their High School campus and the placement must be proctored. Students may also take the ALEKS assessment at the UNA Testing Center or any other certified testing center.

Is there a fee for using ALEKS PPL? Students must pay \$20 to use ALEKS. This gives students access to up to 5 placements, and 12 months access to the learning modules. Payment can be made on the ALEKS website using a credit or debit card.

Do I need to install any software or plug-ins prior to taking the ALEKS Placement Assessment? Dual enrollment students may use a Windows, Mac, or Chromebook computer to take the ALEKS Placement.

Students may not use a calculator on the ALEKS Placement.

If you have any questions about taking ALEKS at UNA contact, Dr. Jared Painter, jpainter@una.edu or Catherine Martin, cprice5@una.edu. You may schedule a proctored ALEKS placement at the UNA Testing Center here: <https://go.una.edu/portal/testing-services-scheduling>
